

Licensure Disclosure for Chattanooga State Community College

State Authorization Reciprocity Agreements

Chattanooga State Community College participates in the National Council for State Authorization Reciprocity Agreements. As a member institution of the Tennessee Board of Regents, the College is regulated by the Tennessee Higher Education Commission. The College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to Award the Associate Degree. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4033 or call 404-679-4500 for questions about the accreditation of Chattanooga State Community College. The Commission should be contacted only if there is evidence supporting significant noncompliance with the Commission requirements and standards by the College. Please direct all other questions such as inquiries about admissions, graduation requirements, or academic programs, etc. to the College. SACSCOC accreditation is the highest granted to any college or university. Every eligible instructional program of the College is nationally accredited.

Professional Licensure Disclosure

Chattanooga State Community College offers courses, associate degrees, technical diplomas and certificate programs that may lead to professional licensure and/or certification. Students who complete one of the programs of study listed below at Chattanooga State Community College have met the curricular requirements to apply for credentialing in Tennessee. Requirements for other states may vary. If you currently live in a state other than Tennessee or intend to move to a state other than Tennessee and you intend to use the education completed at Chattanooga State Community College to seek professional licensure in your state, be aware there may be additional requirements for obtaining licensure. Please contact the appropriate licensing body in the state where you intend to seek licensure regarding the requirements in that state.

Programs Leading to Licensure

For each of the programs below, the name of the program is hyperlinked to the section containing the state-by-state disclosure of licensure alignment. Each program section contains a table that contains the State Licensing Requirements column that should indicate if the program curriculum **Meets** the requirements in the states and US Territories, **Does NOT Meet** the requirement in the states and US Territories or **Undetermined** if the program has not yet determined if the curriculum requirements are met for the states and US Territories.
